- For full armor to withstand any schemes of the Adversary. In thanksgiving, for the power of your salvation to helmet your past, present, and future
- That your core commitment will be truth, a belt of reliability for all your relationships
- That every team member will have invincible integrity, a breastplate against accusations
- That you not be so wrapped up in following your program for today that you are unprepared to share the good news of peace right now
- That faith in God will shield you against all evil attacks
- That you will advance with the penetrating, discerning truth of God's Word

- That each team member would be on 24-hour-a-day prayer alert

DAY 2 - LORD OF THE HARVEST

MEDITATE ON LUKE 10:1-2 *Ask that God will:*

- Bring about a true harvest, one that nurtures and sustains and one that reproduces on an increasingly grander scale and there would be workers ready to reap so no ripe fruit spoils
- Begin a movement in your home church and others fellowships to call out laborers to the people of this place
- Provide workers with a variety of skills and spiritual gifts to engage these peoples
- Enable leaders in your church and other fellowships to see the direction in which He is leading them to be in partnership with this nation
- Make clear the involvement they should have in the years to come
- Raise up workers here who would go, live, and sow among the people of their own country

DAY 3 - CORNELIUS

MEDITATE ON ACTS 10 *Pray:*

- That God, through His Holy Spirit, would speak to true seekers in times of prayer through dreams and visions
- That He would lead believers to identify God-fearers in times of prayer, leaders in the home and community who can influence entire families and communities for Him
- That God would verify the truth of His Son and the power of His resurrection through signs and wonders
- That God would prepare the hearts and minds of all workers to share His truth in culturally sensitive and biblically appropriate ways
- That the Lord will pour out His Spirit on the people of the area where you pray and raise their level of awareness of God
- That each believer will be in a constant state of spiritual readiness to go when the call comes to share the truth

- That the Holy Spirit will empower His message with His presence

DAY 4 - SPIRITUAL WARFARE

MEDITATE ON 2 CORINTHIANS 10:3-5 Ask God to:

- Clearly show believers that their struggle is in no way against other people
- Provide boldness to claim His authority when confronted with the spiritual powers ruling over the area you are prayer-walking
- Make every thought this day obedient to Christ's guiding
- Shed light on the darkness of world forces, so lies and half-truths will be exposed for what they are
- Give you a broken heart for this community while you prayer-walk
- Help you and future workers to resist personal attacks of the Enemy
- Give you insight to the fortresses that need demolition, and ask that He would make you strong to prayerfully demolish what is ungodly
- Break every chain binding these people to darkness in the name of Jesus

DAY 5 - FAVOR, WISDOM, KNOWLEDGE

MEDITATE ON DANIEL 1:8-21 Ask:

- That the Lord will bless each member of the local government, so that they will use their position of authority to bless and not oppress the people under their jurisdiction
- That community leaders will commend the gospel, not obstruct it
- That believers would set a favorable example for their nation that would ultimately magnify God
- That the people would see that following Jesus is the best way to spend their lives and the only way to God
- That believers would not give into the lusts and old ways that surround them
- That God would provide wisdom and knowledge to believers on living as a minority in a culture that doesn't bow to Christ as King

DAY 6 - PERSON OF PEACE

MEDITATE ON LUKE 10:1-11 As you go out today, ask:

- That God would prepare households and persons of peace who would welcome the gospel to his or her community when it arrives
- For workers committed to finding persons of peace despite the potential challenges that come with the task
- That God will expose to the people you pray for a need so great that their old answers and philosophies will no longer work
- That God will deepen their understanding and desire for Him
- That God will strengthen current workers contacts with persons of peace
- That the Lord will stir up an interest and hunger for Himself in people's hearts
- That the sense of God's direction for this area and people will grow in the hearts of local believers
- That this place and these people will send workers to reach the nations with His truth

- For believers to come and live their faith out among these people

DAY 8 – DISCIPLES MAKING DISCIPLES

MEDITATE ON 2 TIMOTHY 2:2 *Pray:*

- Followers of Jesus would instill a strong Biblical DNA that encourages and expects seekers to discover, share, and obey Jesus from the first moment they meet
- Seekers and believers would be empowered to immediately share what they learn from the Bible with others
- Seekers would imitate followers of Jesus by doing what Jesus did and obeying what Jesus said
- Disciples of Jesus would instill this DNA in those they disciple who will go on to instill it into others and remain through out every generation
- Workers wouldn't come and try to instill a style or method of following Jesus that is a roadblock for a church planting movement
- The Word of God would be the instruction manual for how to follow Jesus, disciple others, and build up the church

DAY 9 - SUPPLICATION

- To be faithful to His promise that the peoples of this city would be around His throne in the end
- To give this vision to believers here — to not give up when trying to share their faith with those around them, even if they come from different backgrounds and people groups
